

**2nd Annual
VRG at The Glen
October 17th–19th, 2008
Watkins Glen International**

Last year's event was considered one of the season's favorites. So mark your calendars, make your hotel reservations and don't miss out on the fun.

Join us for this 3-day event on Oct. 17–19, 2008. This year we will have three full days of racing. This event offers plenty of track time with three sessions on Friday and two sessions each day on Saturday and Sunday. Plus, the optional endure on both Saturday and Sunday. There will be a dinner at the track on Saturday evening. Our goal is to offer plenty of track time with competitive, fun, and safe racing. The Glen is long and wide, and will accommodate large race groups safely.

The tentative schedule and race groups are found on the next page. Watch the VRG website and announcements in the **VRG Update**. Plan to join VRG
